This year was the first year in over three years that the Los Angeles Banking Center Network had a large Entrepreneurship Graduation class. All the graduates were very excited and spoke highly of the program and Johnny Sharp the coordinator. Sharp has done an excellent job with turning the Entrepreneurship and small Business Development programs around with the increasing number participates. Within the first quarter of this year, Johnny Sharp has educated over 514 people.

To celebrate all the graduates of the Los Angeles Region, HOPE held a Client Appreciation ceremony at the LaBrea HOPE Center. Graduates of all HOPE programs were in attendance, including the Case Management, Home-ownership as well as Entrepreneur Training Programs.
